A SURVEY REMINDER...

Have you reviewed and returned the materials for the 2000 Boundary and Annexation Survey that we mailed to your office? If not, we would appreciate receiving a reply within the next 10 days.

In order to process Census 2000 correctly, we need a record showing the status and boundary for every local general-purpose government. This voluntary survey is your opportunity to ensure that we have the correct name and boundary for your government when we present the data from Census 2000.

If you have responded within the last 10 days, please disregard this notice.

Sincerely,

Kenneth Prewitt
